

Mobile basket trolley with push bar, for empty and loaded 19.7 × 19.7" to 20.5 × 20.5" (500 × 500 mm to 520 × 520 mm) crockery baskets.

Robust and hygienic design, made of stainless steel. Platform in pan-shaped design with upstands on all sides, for storing baskets, with welded square tube push bar. 2 massive front corner bumpers serve as bumpers and protect trolley on all sides as well as building-side walls from being damaged. Trolley runs on 4 swivel casters of which 2 with total locks, ø 4.9" (125 mm), plate fastening at the front side, pin fastening at the push bar side.

The Hupfer basket trolley KR 50-50 features a platform with all-round raised edges, making it sturdy to push and ensuring the stacked baskets are properly secured in comparison to other products, while at the same time, its very low empty weight ensures outstanding handling properties.
