

ASSEMBLY INSTRUCTIONS

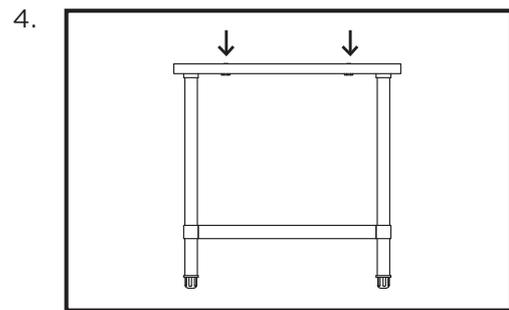

Insert legs through the bottom of the shelf. Locate the scribed mark and position bottom of shelf on the scribe mark.

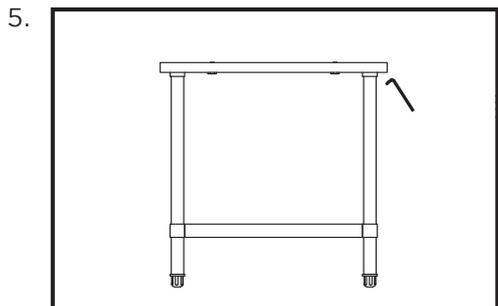

Use 4 x 8mm Allen key screws to secure the shelf section to the legs.

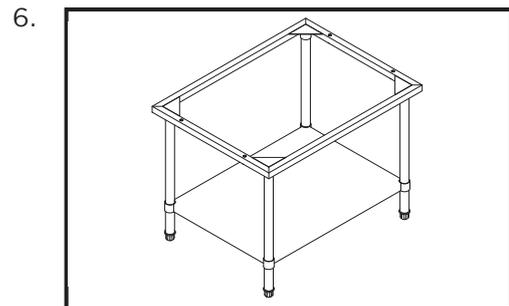

Turn over stand.

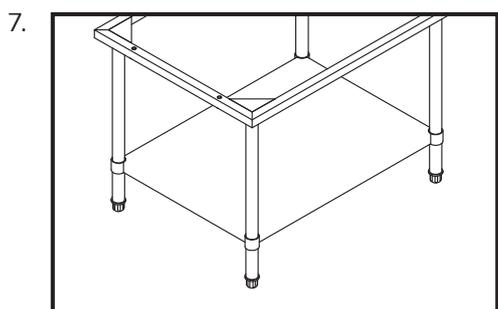

Place top on 4 legs.

Use 4 x 8mm Allen key screws to secure bench-top section to the legs.

Locate top and ensure it is correctly aligned and inter-locks with the stand.

Level the stand by adjusting the adjustable feet on the bottom of the stand.
